CANNES FILM FESTIVAL 2014

Dear journalists,
dear friends and colleagues,

it is our pleasure to present as international press agents two films in the Official Selection of the Cannes International Film Festival 2014, both screening in the Un Certain Regard section:

JAUJA

directed by Lisandro Alonso
starring Viggo Mortensen, Vilbjork Malling Agger, Ghita Noerby
world sales NDM

The Ancients used to say that Jauja was a mythological land filled with abundance and happiness. Countless expeditions sought to corroborate that place. Over time, the legend grew disproportionately. No doubt the people exaggerated, as usual. All that is known is that everyone who tried to find that earthly paradise got lost along the way.

SNOW IN PARADISE

directed by Andrew Hulme

A hard hitting feature based on the true story of Martin Askew, who grew up in Londons' East End criminal underworld.
